President's Message

This is the last newsletter for 2010. Which means that it must be hunting season. .

I wish you all a very successful season in what ever you will be hunting. Remember to be safe and make sure of your target before shooting. We want to see you all next year.

The PA Cowboy Fast Draw Championship was held at our club in October. One of our own, Harold Shingler, is the new PA State Cowboy Fast Draw Champion, CONGRATULATIONS Howard for a job well done.

There has been a lot of work done around the club this year. I'd like to thank all of the members that had volunteered their time in making our club one of the best club's in the state. I have been told many times how nice our club is. If you would like to help in the future see Roy Snyder or any club officer.

Just a reminder, your 2011 club's dues are due. If they are not paid by December 31st, you will need to attend an orientation meeting before renewing your membership.

Want to end with wishing everyone a happy holiday season.

Mike Hauer

Lock Code Change:

Just a reminder that by the time you read this the lock code for the gate has now been changed.

If you have tried to enter club grounds and the lock doesn't work it's probably because you have not renewed you membership dues and not gotten your new card.

Please remember to renew your membership by Dec. 31st. Anyone who has not renewed by then will have to repeat their membership orientation before their membership is re-activated.

Thank's Dave:

Many Thanks to Dave Hess for his many years as our gun show chairman. With Dave's departure, the annual spring Gun Show will still be scheduled. Watch your January newsletter or web site for dates and times.

All members Please Read !

DO NOT GIVE OUT THE LOCK COMBINATION to friends and relatives who are not members of our club, you MUST BE A MEMBER or come with a member to use our facilities. DO NOT shoot at cans, bottles (plastic or glass), fruit, etc. or the wooden target posts. Paper targets ONLY please!

Please carry your membership card with you when using the club grounds. This identifies you as a member, and if ask to show it, please do so.

' Happy Thanksgiving '
' Merry Christmas '

Civilian Marksmanship Program (CMP Shoot)

Our September 26th M1 Garand and M1 Carbine shoot was well attended with 18 shooters. The October 17th any Nationality shoot was VERY well attended with 26 shooters!! That was our last shoot for the regular season.

We had a good time and great fellowship with a great bunch of people. Our marksmanship skills have improved greatly this past year. I want to thank all who attended and made this year a great success. We have had more lady shooters this year, and we encourage even more women to come out and shoot.

We only had two Junior shooters all year, but we would like to see many more than that ... So, come on out and shoot with us— enjoy the fellowship of a great bunch of people while improving your marksmanship skills at the same time. Everyone is more than willing to answer questions and help with technique if you want it - we're all here to have fun and promote the sport of shooting.

We are going to have a Russian Bolt Action shoot on December 19th 2010, at 12:30 pm. So, if you have a Russian rifle, dust it off and give it a workout. For more information call Al or Leda Warfel at 717-786-1866.

Thanks again to all those who helped to make this a GREAT season!

Act 64 Is About Protecting Sportsmen's Rights

By Rep. Bryan Cutler (R-Lancaster)

With the passage of House Bill 181 – now Act 64 of 2010 – Pennsylvania's sportsmen can be assured of the protection of their constitutional rights while they pursue their love of the outdoors.

I introduced this legislation to amend the powers and duties of wildlife conservation officers as stated in the Pennsylvania Game and Wildlife Code to bring these provisions into line with current case law and the Constitution.

Act 64 specifies that vehicles can only be stopped under reasonable suspicion or under the administrative procedures for road check points. It also limits searches to cases where there is probable cause, consent, exigent circumstances or other exceptions to warrant requirements established by legal precedent.

Game commission officers are already constitutionally required to act under these guidelines, but some sportsmen have correctly noted that the prior Game Code was vague when it came to stops and searches. I am hopeful Act 64 will add greater clarity to the law and allow law-abiding hunters unhindered access to their sport.

Along with gaining unanimous support in both the Pennsylvania House and Senate, the proposal was also supported by the Pennsylvania Game Commission and the American Civil Liberties Union.

You can learn more about this and my other legislative proposals at RepCutler.com or Facebook.com/RepBryanCutler.
